Re: *United States v. Ronald Monroe*, 21 Cr. 465 (CS)
Letter Motion for Adjournment of Status Conference

Dear Judge Seibel:

I am appointed to represent the above defendant pursuant to CJA. This matter is scheduled for a status conference on December 10, 2021 at 3:45 pm. I recently received additional electronic discovery in addition to previously disclosed voluminous discovery. I require additional time to review this discovery, consult with my client who is detained at the Essex County Jail in New Jersey and engage in plea negotiations with the Government.

Due to the foregoing, I write to the Court to request an adjournment of the conference to January 25, 2022 at 2:30 pm, which I am advised is a good date for the Court. The parties anticipate that if an agreement is not contemplated by then, we will be requesting a motion and trial schedule. The Government has no objection to this application.

Thank you, Your Honor for your consideration of this matter.

12/10/21 conference adjourned to 1/25/22 at 2:30 pm. The time between now and then is hereby excluded under the Speedy Trial Act in the interest of justice. The ends of justice served by the exclusion outweigh the best interests of the public and the defendant in a speedy trial because it will enable the defendant and his lawyer to review the remaining discovery and engage in discussions regarding a possible disposition without trial.

SO ORDERED.
